Important Information/Dates

Members \$160 Non-members \$200

Material fee \$20 for yarn

Registration opens at 12:00 noon on December 12, 2022

Registration deadline: February 4, 2023

Cancellation deadline: January 12, 2023

Location: Room #3 at the Triangle Fiber Arts Center

Description

Over two days students will learn how to weave their very own kitchen towels on a rigid heddle loom. After designing their own kitchen towels, students will choose appropriate yarn and warp their looms. They will be guided in tips and tricks to make rigid heddle weaving successful, as well as a few hand manipulation techniques to add interest and variety to rigid heddle weaving.

Prerequisites for participants: No weaving experience is required. Students must bring rigid heddle loom, warping pegs and stick shuttles to class. See Materials section below about borrowing equipment from Triangle Weavers.

Materials to be provided by/additional instructions for students:

Students must bring a rigid heddle loom along with warping pegs to this class.

- There are a limited number of guild rigid heddle looms that are available on first come, first served basis. If you need to borrow a guild loom, specify that on your registration form.
- The guild has a limited number of warping pegs but you can purchase them on Etsy for \$9 to \$20.
- Borrowed looms may be taken home for up to two weeks after the class.
- Non-members who borrow a loom must provide a deposit of \$50 cash or check due at the first session. The deposit will be refunded after the return of the loom.

For questions about the class, contact Sandy Lyles (shlyles@gmail.com)

For questions about your registration, contact the Registrar (twg.registrar@gmail.com)
