Description

Learn to create a twined mini basket with waxed linen. Participants will construct the spoke base, choose their weaver color palette from waxed linen in various sizes, and craft a basket with mixed decorative stitches including finishing techniques. Basket samples and demonstrations will support handouts that have detailed stitch mechanics, waxed linen and polyester samples, resources and start/finish steps for fashioning additional baskets of all sizes.

Prerequisites:

No previous experience needed and all materials are provided. See material fee above.

Materials to be provided by/additional instructions for students:

Bring a small scissors for cutting waxed linen, a pencil for taking notes. Plan to twine the assigned stitches during the week between the class sessions. This homework should take approximately 8 hours.
