

Hello Vendors and Crafters!

You are invited to vend at Chatham Mills Farmers' Market on May 8th, May 15th, and May 22nd for Spring Vendorpalooza!

Vendorpalooza is an open-market, all-local-products and crafts fair, during which local visiting vendors are invited to come out, meet our customers, and experience the beautiful Saturday market at Chatham Mills with us! It is a great opportunity for you to promote our homegrown and handmade products and get the word out to a wider group of customers!

We have decided to make Spring Vendorpalooza a 3-day series this year!

We will accept a limited number of visiting vendors and craftspeople each Saturday for three weeks in May. If we keep the number of visiting vendors to about 5-6 each week, this will allow us to maintain good social distance with each other and not overcrowd the customers.

If you are interested in an opportunity to market during the month of May, please contact Cheryl McNeill at cmfmmanager@gmail.com.

Please include your business name, location, and a brief description of and photos/web links to your craft or products. Please include a copy of any required certification or licensing documents if you are the producer of foods or edible crafts.

Please indicate which date(s) you are interested in: May 8th, 15th, or 22nd. Vendors may sign up for more than one date, but if response is very high, we may need to limit folks to one Saturday.

- Vendors must be the original producer of all items sold.
- Vendors must be located within 50 miles of Pittsboro
- There is currently no food sampling allowed at market due to COVID precautions. All vendors are asked to wear a mask or face covering.
- Market hours are from 8am to 12pm. All vendors must be set up by start of market and remain set up until 12:00
- The fee for the day is \$20, paid on the date of attendance.
- Vendors must provide their own table and tent. Electricity is not available.
- This is a "rain-or-shine" event, excluding weather that is dangerous for travel.
- Loading-in/out access only. Vehicles must be removed to the upper parking lot from the area around the Chatham Mills lawn by 8am.
- Vendors that have not contacted the market manager for approval by email ahead of time will not be allowed to set up on the day of the event.

We hope that you will consider joining us for Spring Vendorpalooza! Please email with any questions you may have.

Cheryl McNeill
