

My mother passed away and I am cleaning out her “loom room”. Below is a list of books and magazines. I am selling individual books/magazines, but if you purchase 5 or more books, or 10 or more magazines, then I will discount the price by 50% (not including shipping)!

I have almost all issues of Handwoven from 1979 through 2012 as well as the comprehensive index that is a great resource when searching by author or topic (Handwoven: 21 year index). If someone buys all 146 issues then I will include the index for free. I want these materials to get used, but I also want to minimize the time and number of trips to the post office. So, please send me an email with any questions. I am happy to provide pictures.

My mother lived in Denver, was active in the guild, and attended many workshops. So, I also have several binders of patterns and instructions. Each binder is \$5.00 or 2 for \$8.00, 3 for \$11.00, 4 for \$13.00, all 5 for \$15.00. Please let me know if you are interested and I will send more details.

I will be shipping from 28411 and can mail the books and magazines via USPS Priority Flat Rate (which includes insurance) or the cheaper Media Mail (without insurance). When responding, please send me your shipping preference and zip code and I will compute the shipping cost. Paypal only please.
